

Conservation Area Advisory Committee

Meeting Date : 4th September

Ref	Description	Address	Design award
			
<i>Loss X</i> BE/97/17/L	Application for Listed Building Consent to change thatching material from combed wheat to water reed. This application affects the character & appearance of the Shripney Conservation Area.	Rambler Cottage Shripney Lane Bersted PO22 9NR	
Comments: <i>Objection</i> Suggested Conditions: <i>Loss of the local vernacular character and style and methods of thatching. Would detract from the conservation area</i>
