Dear Chris,

This application is due for determination on 22nd September. I have already written the report recommending approval but there is likely to be a delay given the Pagham legal agreement. I am also awaiting further advice from Natural England regarding the impacts to Pagham Harbour (we have prepared an Appropriate Assessment to say no harm to Pagham Harbour due to the agreed £871 mitigation measure but this needs to be formally signed off by Natural England.

As such, can we agree an Extension of Time until 15th October 2021.

Kind Regards
