Hi Maria, I hope you get this one!! My technical skills are not great!

BE/98/20/TC

I would like to object to the above planning application. We have precious few trees left on our beautiful planet. It is a serious worry to take them down indiscriminately.

Four mature trees were removed in the Spinney soon after the present people moved into the adjacent piece of land. I do not recall planning permission being applied for on that occasion, and it upset me a great deal.

Surely these trees could be pollarded rather than removed completely. We need these for our wild life and our survival!

I do hope you will give this your serious consideration,

Yours faithfully Mrs Ann Canfer
