BE/99/20/EIS

Land West of Bersted

Scoping opinion request relating to 2500 new homes, up to 3.52ha of employment land, a 3 Form Entry primary school, 2 local centres and associated infrastructure across approximately 141 ha of land.

The level of information seems to be acceptable from a built conservation perspective. I assume that the council's archaeological advisor has also been consulted. I note that paragraph 5.70 states that it is proposed to undertake consultations with the archaeological and conservation advisors to agree on the sufficient level of information to inform the ES chapter. This approach is supported.
