Hi Simon

Now that the above application has been registered as valid, I enclose the submitted schedule of materials ref 02-08-21 on which I have highlighted the differences in red compared to the last consented schedule ref 28-05-21.

In summary it is only the two main facing bricks of Plots 1 & 5 that have changed.

Kind regards
Nicholas

Hi Nicholas,

Thanks for letting me know. In case it isn't obvious from the submission what the changes are, once the DOC has been registered/allocated, could you send me another email so I can make a note on the file.

Simon

Dear Simon

Seaward Properties are having trouble securing some of the bricks they had proposed so just to let you know that a further DOC application ref BN/102/21/DOC has just been made varying plots 1 & 5. Plot 1 reverts to the very first DOC consented brick and Plot 5 is a new brick that has been specified.

Kind regards
