Simon

Thanks for this. I have discussed this with Albert and they do not wish to do this.

I have sent a separate email asking for the above application to be withdrawn.

Kind regards

Dear Angus,

WSCC Highways have advised that they have no objection to the removal of the condition if the mobile home is instead occupied by a family member of the approved dwelling (i.e. the dwelling that Mr Brazil is currently building). Therefore, we would be willing to remove the current condition if it is replaced by the following condition:

The replacement mobile home shall only be occupied by a single gypsy or traveller family unit (as defined by Annex 1 to the Government's Planning Policy for Traveller's sites) who is a relative of the occupier of the house being built under planning ref BN/19/18/PL as varied by BN/12/19/PL.

This would be in accordance with the conclusions of WSCC Highways and also appears to be in accordance with what you say in your application form: "The replacement mobile home should be available for occupation by gypsy/ traveller families with a familial connection to the occupants of the proposed dwelling."

Kind Regards
