Morning Nicola,

Apologies for any inconvenience.

The three PDFs were created in the same drawing with the same sheet size and scaling so I am hoping that I mistakenly sent you the older version of two of the drawings!

Please find attached and fingers crossed!

Many thanks,
Alan

Hello Alan

I have just checked the plans and the proposed elevations scales perfectly, but the roof plan and floor plan are still scaling incorrectly at 5.3 m. I am sorry could you have another look at them, whatever you did on the elevations worked.

Many thanks

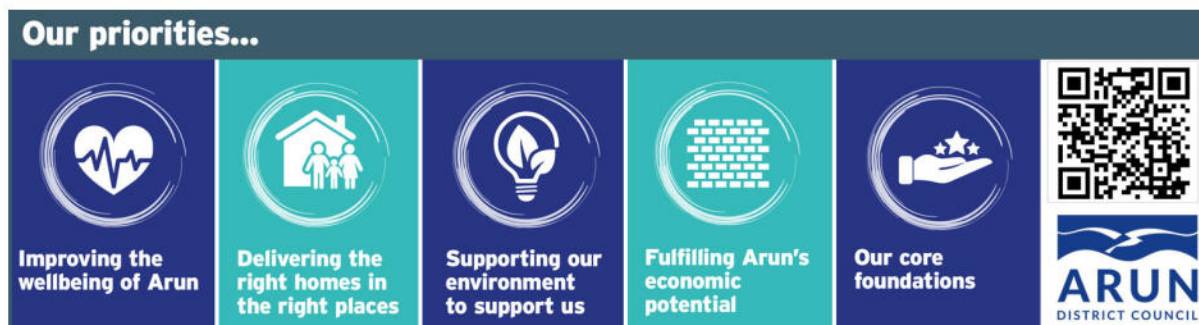

Nicola
