FAO Sian Eggington

Thank you for your letter of 6th November requesting further information in relation to the above application (Ref: BN/108/19/HH). Please see responses to the information requested below and supporting documents attached.

1. Single storey rear extension and conversion of roof space to habitable use - Form.

I confirm acceptance of the amended description.

2. Single storey rear extension and conversion of roof space to habitable use - Block Plan

Please see attached an updated Site Plan which includes dimensions from the proposed extension to all site boundaries.

3. Location Plan: You are required to have a solid red outline around the proposed site with no breaks in the outline.

Please see attached an updated Location Plan with solid red line

4. Lidsey Foul Water - Environmental Assessment

We confirm that the scheme does not include any changes to foul water drainage arrangements. The connections to the existing public mains drainage system running along Elm Grove will be unchanged.

Please do not hesitate to contact me if you require any further details / clarification

Kind regards,
