Dear Alan,

I can see that you have submitted version.2 of the application onto the portal but were unable to amend the application form.

I have looked at the sketch plan site on our mapping and at previous applications and the address that is coming up is:

GTR New Site
Arundel Road
Fontwell
BN18 0SB

East/North: 495080/106989

Please can you confirm that this is the correct site.

Please can you also confirm the below slightly amended description:

Crown reduction to 1 No. English Oak (T1) to leave a height of 12m and Northerly, Westerly and Easterly spread of 10m.

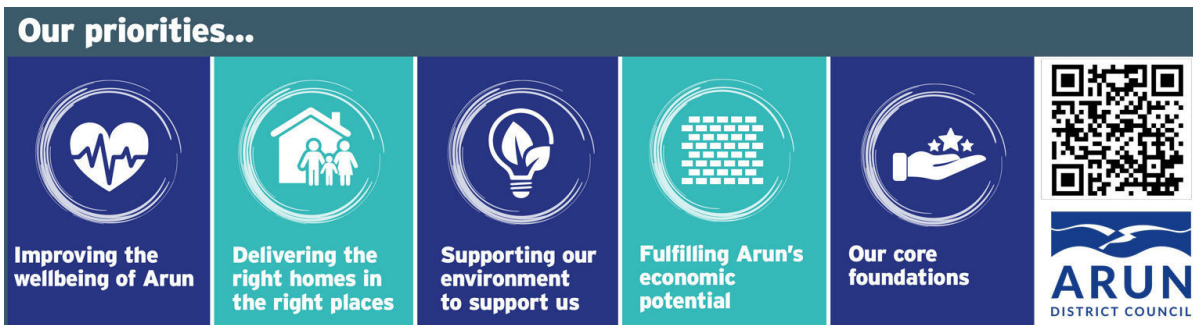

Kind regards,

Laura Mills

Hi Laura,

The eastings and northings are generated automatically when the site location is generated but the site map is accurate to where the tree is located, it is also the only tree in the centre of the site so will be easy to find. As far as I am aware the site address **Global Technologies Racing Ltd, Denmans Lane, Fontwell, BN18 0SU** is the correct location/address.

Please let me know if this answers your questions and if you need anything else from me?

Kind regards,

Alan

Good morning,

We have received your application for the above address. However, upon reviewing the application form and supporting documents, I have noticed that the site address and the submitted eastings and northings do not correspond with the location shown on the sketch plan.

The sketch plan appears to identify a site located to the east of Fontwell Avenue.

Could you please confirm the correct application site so that we can ensure the application details are accurate?

I look forward to hearing from you.

Kind regards,

Laura Mills
