Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/10/21/HH
Site Address: 2 Park Cottages Goodacres Barnham PO22 0JE
Description of works: Loft conversion consisting of hip-to-gable roof extension and rear box dormer with roof windows to front elevation.

Thank you for your internet representation made on 11th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34426

I would like to object to this planning application for the following reasons:

- the extension is too large and not in keeping with area
- the proposed extension will mean that neighbouring gardens will be directly and entirely overlooked and privacy to these neighbours will be lost.
- Park cottages have been built as a pair. 1 and 2 park cottages were built symmetrically in 1950's, to have an extremely large extension out the side and rear of one of the cottages will ruin the aesthetic of the two cottages and effect the history of not only this property, but also the matching cottage. The extension on one cottage will spoil the character of both cottages.

- the extension will be visible from all three sides. The back, side and front and this is not in keeping with the area.
- the effect of intensive and intrusive building works will be far too detrimental to the health and mental well-being of elderly neighbours on each side of the property and to the residents of Churchill House, warden assisted flats, who all have a right to enjoy quiet use of their homes. The effect of construction noise is especially concerning given that residents are in lockdown and unable to leave homes due to covid.

Your views as made above will be considered before the application is determined.
