Thank you for your application received on 8th November 2019. I am writing to acknowledge that it was accepted as a valid application on 11th November 2019. On receipt of this letter if you have any concerns about the way that the Council has described your application you should contact the case officer: Maria Tomalova, who is dealing with your application.

You can follow how your application is progressing on the Council's website:  
[www.arun.gov.uk/planning](http://www.arun.gov.uk/planning).

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 6th January 2020. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of the Development Control Committee.

If you have not received a decision by 6th January 2020 or a later expiry date that you have agreed to, you can appeal to the Secretary of State. Your appeal (under Section 195 of the Town & Country Planning Act 1990) would be that the Council has failed to make a decision and you would be asking a Planning Inspector to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate website <https://www.gov.uk/topic/planning-development/planning-permission-appeals> or by writing to them at, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

This acknowledgment only relates to your certificate application and not to any other applications you may have made to the Council, for example Planning Permission or Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required, please visit the government's website [www.planningportal.co.uk](http://www.planningportal.co.uk) or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control services offered by Arun District Council please
