Hi Tabitha,

Please see attached updated version with the amended document reference.

Planning Responses – could the attached please be uploaded to the above file and labelled as ‘Decision’? Could the existing decision be superseded please?

Planning Responses – could you also upload a copy of this email trail for continuity purposes please?

Kindest regards,

Hello James,

Thanks for the attached. We will review and if needed revert back with any questions.

In the meanwhile, can we clarify two points:

- Can you please confirm the reference number? The PDF file name and the letter itself contain different reference numbers.
- The Scoping Opinion notes a Scoping Report submission date of 31 August. To note, the Scoping Report was submitted 23 September with an acknowledgment email on 24 September.

Just for completeness, is it possible for the Scoping Opinion letter to be amended to reflect these two points?

Many thanks,
Tabitha

Hi Tor,

As promised, please find attached a clean PDF version of the Council's response to your EIS Scoping Opinion for BEW. As Simon is stated on the application form I have also copied him into this correspondence.

The attached is the same as that generated by our system; albeit with a more legible version of formatting.

If you have any questions please do not hesitate to contact me on the below details at your convenience.

Kindest regards,
