Dear Ms Eggington,

As requested in your letter of 22nd November 2019 please find attached revised Block Plan showing dimensions to boundaries.

Please note that regarding foul drainage there is an existing connection to the main sewer serving the dwelling and the existing and any modified drain runs will discharge to this via the existing inspection chamber on site in the front garden.

I trust this meets with your requirements and look forward to your confirmation in due course.

Yours sincerely

Alan Holloway

On behalf of Mr Danny Harvey.
