

Hi Zoe,

Thanks for your email.

I have checked the application and the wording in the description states that the trees are in the field behind therefore the application I think is correct however the sketch plan is completely wrong so apologies for this I must have had a senior moment! I will send you an updated PDF of the sketch plan.

Let me know if you need anything else

Kind regards,

Hi Darren,

Thank you for your email.

So we have the correct documents uploaded would you be able to change what the application form and sketch plan says to show the location of the trees is in the field behind 3 Abercorn Walk and that the branches overhang the boundary.

Please send these documents to me direct so I can upload them and inform the Parish Council.

Many thanks

Dear Mr Docherty,

I have received a query over the ownership of the land from Barnham and Eastergate Parish Council where you are applying to do works to the trees.

Please would you be able to confirm the location of the trees you wish to work on. The application form description states that the location of the trees are the in playing field owned by ADC, however the location of the trees in the application form and sketch plan states the works will take place at 3 Abercorn Walk.

I look forward to hearing from you.
