Application Ref BN/11/17/PL

This statement is in support of an application for the erection of two buildings for the provision of staff welfare facilities at the Eric Wall Nursery, Lake Lane, Barnham.

The document is written in accordance with the Council's validation requirements.

Bins storage will be located within the staff welfare facility and an area will be marked for the provision of waste together with recycling. This will then form part of the overall waste management of the site as a whole.
