Dear Mr. Eastham,

BN/11/22/OUT - 1250 houses at Barnham, Eastergate & Westergate

We wish to object to the above as follows :

- 1) This large proposal will create a new community with no integration with the existing villages.
- 2) This development has no "local" identity linking it to the rural context and could be "planted" anywhere.
- 3) It claims to have a relationship with existing facilities - what are these supposed to be?
- 4) There is no public bus service available.
- 5) Ownership and use of a car will be essential.
- 6) There is a lack of co-ordination between the major road works (A29 & A27 Arundel) and assessment of traffic increase. And the increase of heavy lorry traffic activity to service these projects.

Yours sincerely,

J.M. Williams (Mrs.)
