With no clear plan in place for additional schools, no additional dentists, no additional doctors, no additional retail facilities, no additional community support- none of this is being planned effectively. So what is being done to address all this before this takes place? It is an absolute scandal that people in the council are thinking so short term about ruining the local environment when there are so many locations across the area that would be better solutions to regenerate rather than ruining the village feel of the area. I recognise the need for affordable housing, but these won't be. In addition looking at the shambolic road surface outside other recent developments in the area where the developers have ruined the roads and this is causing unnecessary wear and tear on locals vehicles. None of this is acceptable. Please please please reconsider the impact this will have on the community.

Your views as made above will be considered before the application is determined.
