Thank you for your internet representation made on 6th March 2023 which has been recorded as an objection with the comments as follows:

OWPC56692

Should not be building in the fields, it's pretty over there and the traffic is dreadful since fontwell and the other silly amount of developments redrow David Wilson and loads more doctor surgery is impossible to get in to and also the new doctor's surgery will not be able to cater for all these extra developments, we have had raw sewage coming up in our baths due to new developments connecting to the existing sewers. Unfortunately I am the one that has had to pay for this as it's on a private rd and the main sewers in westergate street back up in to ours. Also Thames valley has been out and environmental health on a weekly basis as the fields behind us have had sewage coming out of the man holes in fields which went in to the stream !!! This sort of behaviour from the council allowing these developments to go ahead is unacceptable and now we have calla homes on this side trying to get 400 homes added with access from pine rd they have been declined many times before and they keep re applying. It needs to stop no more developments the people that live here are sick of it. The damage to the rds is unbelievable. Thanks Gavin Laming
