Dear Sir/Madam,

Thank you for your consultation response. I note that the you object to discharge of surface water into the foul sewer. However, the supporting letter to the application (from the applicants solicitors) states that

"It must be emphasised that Southern Water has given its consent to discharge into the public sewer on Barnham Road, under Section 106 of the Water Industry Act 1991, notified by letter dated 21 December 2017."

The letter also states that the site is presently discharging into the public sewer to the north, at Barnham Road.

On this basis, I would respectfully request that you reconsider your consultation advice and respond in 10 working days.

Kind Regards

Simon J Davis MRTPI
