James

I have spoken with the Parish Clerk and they were unaware of our previous permission and therefore hadn't considered the possibility of 4 properties being built on there and looked at it only as a one off new build, I have forwarded all the historic information to them for consideration.

With the above in mind although I am happy for an extension of time to be granted can we please wait a couple of days to see if the Parish retract their objection.

Thanks

Matt

Hi Matt,

Just to let you know I went and did an overview of the above application to look to submitting the application for sign off. However, the application has now received an objection from the Parish Council and we as Officers are recommending approval. Therefore, the application will need to be deferred to the Council's Planning Committee on 04 March 2020 for determination.

On this basis, would you be able to agree to an extension of time until 11 March 2020 to allow us sufficient time to issue the decision notice after Committee?

Kindest regards,
