Good morning

Following receipt of the below application, our Chair of planning has reviewed the associated documentation and made the following observation:

*The plans provided only indicate with pink circles the areas within the house that are to be "opened up".
There is no detail of what work is actually intended.
There is no work scheduled for the exterior of the building.*

There is insufficient information to enable a decision on whether or not to object.

Would you therefore be able confirm if further information will be added to the portal, prior to the deadline for comment?

Many thanks
Gemma
