Good Morning Iqra,

Hopefully the attached are the drawings you are looking for.  
If not, can you please clarify? I have confused myself!

Many thanks,

Alan

Good morning,

Thank for your providing the revised plans.

However, the rooflights are still inconsistent between the proposed first floor plan and the proposed elevations. Once this has been corrected, this application can be made valid.

Kind Regards  
Iqraa Malik

Good Morning Iqraa,

Sorry for the confusion.  
I attach drawings 06 Rev A Existing Floor Plans and 07 Existing Floor plans, I think these are correctly co-ordinated now.

Also attached is drawing 05 Rev A which also reflected incorrect rooflight arrangement.

Hopefully everything is now in order.

Kind regards,

Alan

Good afternoon,

Thank you for providing the additional information.

Unfortunately, this application is still invalid as the rooflights are inconsistent between the side elevations and the floor plans, please review and amend.

Kind Regards

Dear Iqraa,

Further to your letter of 24<sup>th</sup> September, firstly apologies for the delay in responding.

With regard to the additional details required for validation, please note:  
Attached are drawings 06 'Existing Elevations' and 07 'Existing Floor Plans' at a scale of 1:100.  
Also attached are the Biodiversity Enhancement Assessment and the Drainage Impact Assessment.

Hopefully these documents meet with your requirements for validation, and I await your confirmation in due course.

Many thanks,  
Alan Holloway
