Subject: BN/125/19/HH - Orchard House Highground Lane Barnham

BN/125/19/HH

Development Alteration and refurbishment of existing residential annex including the addition of 3no. roof lights

Location Orchard House Highground Lane Barnham

FAO: Sian Eggington

Further to the telephone conversation this morning, we can confirm that the sewage connection in the proposed is connected to the main houses supply – there will no increase in accommodation on the site and no increase in waste production. Currently anyone wishing to use the WC etc in the annex uses the house. Once the works are completed they will be able to use facilities in the proposals.

Therefore we would respectfully ask if the requirement for a “Lidsey Foul Water - Environmental Assessment” is waived for this application.

Regards

Martin Helyer.
