Reasons for objecting to the above.

- (1) Increase of noise, flow of traffic and lighting on 24hrs seven days a week
- (2) The footpath is very narrow and only on one side
- (3) We do not have street lighting, all the extra lighting would be detrimental to all the residents in this part of Yapton Rd.
- (4) With all the extra medical staff and visitors coming and going 24x7 this would cause extra noise and disturbance at all times
- (5) It is not easy to exit my drive either walking or driving. This Proposal would make it worse.

Thank You.
