Dear Nicola

I hope you are well.

We have received the letter attached with reference to our application.

Please accept our apologies. The drawing was mislabelled. The drawing has now been revised to 7748-BARN-5-509 D to show the corrected drawing number.

Please would you be able to correct the application form on our behalf?

Your help is very much appreciated.

Kind regards

Zsuzsa Chynoweth

Covid-19 Working Procedures

In line with Government advice, Thrive have been transitioning to working from home for most of the team. We have access to all our systems remotely and we continue to provide our clients with the support they need without interruption. We have a small core team in the office (working in segregated areas), to manage day to day essentials such as IT support, plotting and scanning large format drawings.

We are currently utilising Microsoft Teams, Zoom or Skype for remote video conferencing and meetings.

Our offices remain open Monday to Friday 8:30am - 6:00pm, however with the majority of staff continuing to work from home, emails remain the most efficient means of communication or calls direct to mobiles.

Zsuzsa Chynoweth BA (Hons) Arch
Senior Architectural Technician
