Subject: BN/12/19/PL The Cottage Piggeries - Changes to Replacement Dwelling.

Dear Angus,

I have spoken with Albert this morning and I said that I would have a think about how we are likely to recommend BN/12/19/PL for the additional accommodation in the roof. I have duly looked at the plans and consider it likely that we will recommend approval. At the present time this will be a delegated decision but this could change if we get a response from the Parish Council. Can you provide me with a cross section of the proposed roof level accommodation so that I can check the heights of the velux windows. Subject to this, we may or may not need to impose an obscure glazing condition on these two velux windows.

Kind Regards
