Dear Angus,

Still no response from the Parish Council. I note that the first meeting of the Barnham and Eastergate Parish Council (I'm sure you are aware that they have recently merged) is the 14th May so perhaps they will consider this then. There is no agenda yet up on their website. Unfortunately I am too busy this and next week writing Committee reports. It may well not be until late May until I can get this one written up. Could we agree an Extension of Time until 7th June 2019 please.

Kind Regards

Simon

Is it likely that a decision will be issued next week? Are you still minded to approve? Have you received anything from Parish Council?

Please let me know if you need any further information.

Kind regards

Proposed section attached, showing heights at velux positions.

We are comfortable with a condition imposing obscured glazing on the two veluxes.

Dear Angus,

I have spoken with Albert this morning and I said that I would have a think about how we are likely to recommend BN/12/19/PL for the additional accommodation in the roof. I have duly looked at the plans and consider it likely that we will recommend approval. At the present time this will be a delegated decision but this could change if we get a response from the Parish Council. Can you

provide me with a cross section of the proposed roof level accommodation so that I can check the heights of the velux windows. Subject to this, we may or may not need to impose an obscure glazing condition on these two velux windows.

Kind Regards
