Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/12/22/PL
Site Address: St Philip Howard School Elm Grove South Barnham PO22 0EN
Description of works: Proposed two storey teaching and classroom block plus first floor link to existing school. This application is in CIL Zone 2 (Zero Rated) as other development,

Thank you for your internet representation made on 6th March 2022 which has been recorded as an objection with the comments as follows:

OWPC44925

I have no objection to the additions of two extra classrooms in principal, but have concerns that the extension is a prelude to an increase in the number of students attending the school. As there is no mention of plans to alleviate the present traffic congestion at the school, any increase in pupil numbers can only exacerbate existing traffic issues in the area at drop of and pick up times. This is not only frustrating for residents but raises safety issues not just for students at the school but also for children and parents from the near by primary school. Just a few mornings ago a child was in collision with a car while crossing the road close to the school. I believe this issue should be addressed before this application can proceed

Your views as made above will be considered before the application is determined.
