Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Thanks James,

Please take this email as confirmation that the extension is agreed. I have copied in Paul and Kerry just to avoid any confusion.

Warm regards,

Edward Rees

Hi Ed,

I will respond to the below in due course. Before doing so I am just waiting for confirmation on the Council's maintenance fee for the Green Cycle Connection area.

Could you confirm your agreement to an Extension of Time until 14 April 2021 please?

Kindest regards,
