Dear Mrs Davies,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
(as amended) - Article 10**

Non-material amendment following grant of BN/60/18/HH for change of material for dormer walls from tile hanging to composite cladding.

St Annes Lake Lane Barnham PO22 0AJ

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The reasons that these proposals have been accepted as Non-Material Amendments is because they do not have a material impact upon the originally approved development and do not necessitate additional consultation and it can therefore be considered under section 96A of the Town and Country Planning Act 1990.

From the information submitted I am able to accept the following plans as amendments to BN/60/18/HH

- Drawing P01c
- Drawing P02c

I trust this information is of assistance to you.

Yours sincerely
