Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BN/142/20/OUT
Site Address: Land south of Barnham Station Barnham
Description of works: Outline planning application with all matters reserved, other than principal means of access, for up to 200 No. dwellings, with access taken from Marshall Close, associated infrastructure & landscaping & demolition of existing buildings. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the Church Lane, Barnham Conservation Area & affects a Public Right of Way.

Thank you for your internet representation made on 4th December 2020 which has been recorded as an objection with the comments as follows:

OWPC31948

This proposal needs to be considered in the full with all the other applications being made for increasing housing stock in the area. This application will add significant traffic to an already congested area - increasing noise and air pollution. The services in Barnham - mains water, sewerage, broad band are already "stretched". Current amenities are barely adequate, - schools and open spaces, and there is insufficient healthcare to accept increased population.

This area is also rural and used for exercise and access to a green space. This proposal reduces that facility. Barnham, should be considered a rural area and this proposal further erodes the quality of life, living in the countryside has.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
