Please can I object to the planning application near Barnham railway station. I use the cycle path regularly from Hoe Lane to the Murrell Arms pub and we are so very fortunate to have such a beautiful landscape to enjoy, this

development will have a severe impact on the outlook and an eye sore. Barnham and surrounding areas are being over developed and our roads won't be able to take this extra traffic. Our beautiful countryside is disappearing at an alarming rate, please stop this.

With kind regards
