Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BN/142/20/OUT
Site Address: Land south of Barnham Station Barnham
Description of works: Outline planning application with all matters reserved, other than principal means of access, for up to 200 No. dwellings, with access taken from Marshall Close, associated infrastructure & landscaping & demolition of existing buildings. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the Church Lane, Barnham Conservation Area & affects a Public Right of Way.

Thank you for your internet representation made on 7th December 2020 which has been recorded as an objection with the comments as follows:

OWPC31996

This proposed development will have a detrimental affect on the wildlife in the area (bats,hedgehogs, badgers etc)not to mention nesting birds in the hedges and trees.The junction at the Murrell Arms will be unsafe and dangerous for all..Marshall Close is often frequented with commuters that use the Railway station, so your proposed parking bays will be filled by them, thus making it even more difficult for residents to park.Marshall Close has always been a no through road therefore extremely safe for residents,dont turn it into a rat run and compromise peoples safety.The extra traffic will make it no longer enjoyable to walk or cycle for visitors or residents,with only a view of a concrete jungle to look at and more pollution.I visit Church Lane and Marshall Close often to see my Grandchildren with this proposed planning application this will no longer be safe for them.

Your views as made above will be considered before the application is determined.
