Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BN/142/20/OUT
Site Address: Land south of Barnham Station Barnham
Description of works: Outline planning application with all matters reserved, other than principal means of access, for up to 200 No. dwellings, with access taken from Marshall Close, associated infrastructure & landscaping & demolition of existing buildings. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the Church Lane, Barnham Conservation Area & affects a Public Right of Way.

Thank you for your internet representation made on 7th December 2020 which has been recorded as an objection with the comments as follows:

OWPC31997

This planning application should not be allowed to go ahead and ruin the lives of the residents within Marshall close. It not only visually changes the landscape in a detrimental way, it pushes wildlife out! Not to mention the extra traffic noise for the existing residents and extra risk it creates for pedestrians and cyclists. It also turns small village life into unrecognisable place to live. Putting pressure on Doctors, shops and all the surrounding roads! not to mention the extra vehicle fumes that all these extra cars on the road will create. The stress this has put the residents of Marshall close is awful. My family member bought her house only this year, being proud to live in a little cul-de-sack with the sense of a small friendly community, an idea she bought into that this proposal threatens to take away.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website.
