Thank you for your internet representation made on 9th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32076

Land not suitable- flooding from the Rife at the bottom of the development by rife. The land as a whole gets very waterlogged.

Vista of the Downs will be spoiled from lane, homes and public right of ways. This will impact on the look and feel of a lane that has a 1000 year history.

Too many house in the area. No need for the houses. Infrastructure is under strain already.

Environmental impact on Rife upstream of the proposed housing.

Your views as made above will be considered before the application is determined.
