Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BN/142/20/OUT
Site Address: Land south of Barnham Station Barnham
Description of works: Outline planning application with all matters reserved, other than principal means of access, for up to 200 No. dwellings, with access taken from Marshall Close, associated infrastructure & landscaping & demolition of existing buildings. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the Church Lane, Barnham Conservation Area & affects a Public Right of Way.

Thank you for your internet representation made on 9th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32082

1. I do not object to the proposed development of housing at Tars Farm Church Lane Barnham.
2. However I think that 200 homes are an over development of the site.
3. 50% of the housing should be affordable housing as there is a big shortage of this type of housing with over a million people on council/housing association waiting lists.
4. Access to the site should be on to Church Lane and not Marshall Close.
5. Marshall Close is a cul de sac which has a children's playground, football field and garages at the bottom of the Close. A new road will make it dangerous for the children of Marshall Close to cross the new road to play in the playground/field.
6. Very few houses in Marshall Close have off road parking/garages therefore a new access road will limit on street parking and turn a quiet cul de sac into a busy road with up to 200 cars using it as access.
7. The bottom part of Marshall Close is near the Rife and has flooded on a number of occasions. The proposed new houses will increase the risk of flooding in this area.

Your views as made above will be considered before the application is determined.
