Good afternoon

Was given your name in connection of the above planning permission,
I had move into marshall close in 2002 found marshall close nice and quiet the road leading to marshall close traffic is nice and quiet also its safe for chichen to play and on a safe manner, so if cars are going in and out marshall close, I like to put objection in to using the marshall close as a through traffic with to the new housing of 200 hundreds home marshall close will not cope with cars going in and out and the family with young children will not able to play in a safe manner, I hope I was on the right site to email you?

Your sincerely

D Daughtrey
