Description of works: Outline planning application with all matters reserved, other than principal means of access, for up to 200 No. dwellings, with access taken from Marshall Close, associated infrastructure & landscaping & demolition of existing buildings. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the Church Lane, Barnham Conservation Area & affects a Public Right of Way.

Thank you for your internet representation made on 10th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32116

Was hoping to move to the Barnham area, due to the good transport links but very concerned about the future development plans, the increase in already saturated traffic conditions. The over development of an already busy village ruining the community village feel. The green beautiful open spaces which is disappearing before our eyes.

I have lived in West Sussex for over 20 years and I'm so disappointed to see persistent over development of this beautiful county.

The greed of Chichester district council has become so apparent that it has lost insight and appears intent on the destruction of our country side
