Dear Mr Cole

I strongly object to the above planning application and am expressing my great concern of this extremely dangerous idea of making Marshall Close the access road. Marshall Close is a quiet residential place and the pollution, both noise and fumes from something like 1000 vehicle movements a day is going to greatly impact on our lives. Both health and wellbeing.

The close exits via Church Lane to Yapton Road. The junction into Church Lane is extremely narrow not more than a single carriageway. There is also a lack of a footpath which puts pedestrians at risk.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way.
