Thank you for your internet representation made on 11th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32148

Like Mr Hall has done today, I too would like to make further comment. It rained last night, the Rife behind our property is now extremely close to the top, before the water creeps up towards our home. The Rife will not cope, existing residents will suffer both stress and financial loss trying to protect their properties. Reading the overall 2* reviews on Trust Pilot and a further complaint site that gives an overall 1* rating regarding Gleeson's Homes, we are even more concerned about this development going ahead, the nature of the comments are worrying.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way.
