Thank you for your internet representation made on 18th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32292

This is another development that will affect the A259 and add more congestion to this road and the many junctions along it especially Comet Corner & the Oystercatcher. There have been high number of approved housing developments in surrounding parishes and Arun DC Planning do not pay any attention to these when looking at planning applications and should before any significant further approvals for housing developments that put the A259 under more pressure in respect of traffic flows get the infrastructure in place to improve the situation without yes clogging up roads.

Your views as made above will be considered before the application is determined.
