Subject: Barnham flood and sewage

Dear Mr Cole

I am writing to you because I am appalled about the sewage leaking into the drainage ditch / stream that runs between Barnham Railway station and Church Lane. I have worked in Barnham for 25 years and lived here for 7. In this time I have seen Sewage polluted water flooding into many properties. We are obviously at high risk of more flooding now. This is an Environmental disaster. Any more housing or industrial development on this flood plain including, Yapton, Walberton and Barnham. must be stopped.

Yours
Sincerely
James Willis

7 Oriel Close Barnham.
