Subject: FW: Planning Application in Arun (Barnham) - Ref BN/142/20/OUT

Please could you upload the following e-mail to the application (now appeal) folder BN/142/20/OUT as correspondence from Network Rail?

It looks like the original consultation was sent to the correct e-mail address but, to be on the safe side for future consultations, it might be worth asking Nicola to change it on Ocella so that it's all in lower case as shown below.

Many thanks

Raymond Cole

OFFICIAL

Dear Raymond,

I hope you are well.

I have been made aware of the above planning application by the agent Mark Gimingham. I see from the documents on your website that Network Rail were indeed consulted, however, I'm afraid this never made it to the

correct people to deal with it. Application consultations in future should be sent to

It is very likely that Network Rail would have objected to the application in order to seek a contribution towards various improvements required as a result of the proposed development.

I understand that the applicant are appealing the decision for refusal. As such, we will provide comments to the agent to take into consideration in this, and provide a written representation to the Appeal.

Kind regards,
Anna
