Tars Farm, Barnham – OFW-048604 – Independent Water Networks Limited

Hello

Ofwat recently granted a variation to Independent Water Networks Limited's appointments as a Water and Sewerage company under the Water Industry Act 1991 ("WIA91"), and made consequential variations to the water appointment of Portsmouth Water and to the sewerage services appointment of Southern Water. The appointment was signed on 1 May 2025 and came into effect on 2 May 2025. Independent Water Networks Limited is now the Water and Sewerage supplier to a development at Tars Farm, Barnham. I have attached a copy of the signed instrument of variation and maps of the site area.

This email constitutes the notice that we are required to serve on you by section 8(5) of WIA91.

Kind regards

Rachel Meehan
