Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/153/20/PL
Site Address: Warwick Nursery Barnham Road Eastergate Barnham PO203RT
Description of works: 44 No. dwellings & associated infrastructure. This site falls within the BEW Strategic Site, CIL Zone 1 (Zero Rated).

Thank you for your internet representation made on 19th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33076

Active and Sustainable Travel

NPPF S9 / LTN 20 / Gear change - these documents need to be revisited and the whole subject reviewed as to how this site fits the requirements for allowing modal shifts in how people live and travel.

Bikes will be stored in sheds - this is not acceptable access to cycles should be as easy as using the car not stuck in a shed around the back of the house. For this site this modal shift is crucial given as you say the 665 has no buses per hour and the other 1 bus per hour

Little is mentioned in how the site will be laid out to allow cycle paths across the site and more importantly how you intend to link this site to other cycle routes

No mention of cycle vouchers for new tenants - electric charging points

Your views as made above will be considered before the application is determined.
