Hi Planning Responses,

Could the below objection please be uploaded to application file BN/153/20/PL? Please use this reference and not the incorrect one referred to in the subject field.

Kindest regards,

James Cross Msc, Bsc (Hons), LCGI TP.

Subject: Objection to BN/513/20PL. Warwick nursery

Hi my is Roland Cross I live at 1 nursery cottages church lane eastergate,
My objection is that my leaving room faces south so it means I Look over this site so if block A8 A7 A5 A6 are erected it would be in line site of windows in photos the block in question would go from right to left of telegraph pole in pictures this would be a massive eye sore, could this block be single store so that it would not tower the skyline, this block would also block out low sun in winter to leaving room.
I am also concerned about noise and light pollution from this site with possible 44 vehicles moving in and out day and night this is nice quiet location at the moment this change if this site is built this will have a big effect on what little wild life we have at the moment. I would like to point that a big group of yew trees has already been cut down late last year although yew trees were protected maybe I'm wrong, I would say they are causing a lot of stress to me and neighbours
R T Cross [REDACTED]
