

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Hi Planning Responses,

Could this be uploaded to the above application file and labelled as a Rep from Aldingbourne Community Land Trust please?

Kindest regards,

Dear James

I am writing to register the interest of the Aldingbourne, Barnham & Eastergate Community Land Trust (ABECLT) with regard to the provision of social housing.

You may already be aware of our interest in all housing applications in the two parishes which we cover. If not, may I request that if possible you register our interest in all future applications as a matter of course.

Pease let me know if you would like to know more about the ABE CLT, or consult your colleague Arjan De Jong who has an explanatory document we have prepared.

Regards
Mike Link
Chairman ABE CLT
