Subject: FW: FW: Warwick Nursery, Eastergate - Responses to engineer's comments re SW Drainage

Hi James,

As you can see below the drainage is now okay in principal. We need the conditions to be applied to secure the detail, e.g. detailed pipe network, construction details, etc. It is quite possible that small changes will be required to the proposals as detailed design is undertaken.

Hope that helps, should you have any urgent questions before next Tuesday please feel free to drop me an email or give me a call through my Adur Worthing details below.

Kind regards,

Laura Gibbons
