Dear James

On behalf of our clients Barratt David Wilson, please find attached a report requesting a formal EIA scoping opinion from Arun District Council with regard to a residential development of up to 600 dwellings and Care Home at land north of Barnham Road, Eastergate. I also attach a site location plan for ease of reference.

In accordance with the provisions of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017, we understand that the Council would seek to adopt a scoping opinion within 5 weeks from the date of submission.

Should you require any further information during the consideration of this request, I would be grateful if you could notify me of any further information required at your earliest convenience.

We look forward to hearing from you.

Kind regards
Peter
