Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- **Research planning and building control history**
- **View any planning applications, plans, agreements, tree preservation orders or competent persons data**
- **Submit building control applications**
- **Submit planning application comments**

- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Michael

At our recent Planning & Environment Committee meeting. Councillors had been taking a further look at the above application documents and wished to ask you to put a further note on the files on behalf of Barnham and Eastergate Parish Council if it's not too late.

The Parish Council have noted that the documents makes no mention of the potential impact of the proposed development on the Ancient Wandleys Copse area and would wish to be assured that this area will be protected from the proposed development.

Thanks

Alison Crabb
Clerk, Barnham & Eastergate Parish Council
